Became Muslim

MIRACLES OF QURAN-Pain receptors present in the skin

It was thought that the sense of feeling and pain was only dependent on the brain.

Recent discoveries prove that there are pain receptors present in the skin without which a person would not be able to feel pain.

When a doctor examines a patient suffering from burn injuries, he verifies the degree of burns by a pinprick. If the patient feels pain, the doctor is happy, because it indicates that the burns are superficial and the pain receptors are intact. On the

other hand if the patient does not feel any pain it indicates that it is a deep burn and the pain receptors have been destroyed.

The Quran gives an indication of the existence of pain receptors in the following verse.

إِنَّ الَّذِينَ كَفَرُوا بِآيَاتِنَا سَوْفَ نُصَلِّيهِمْ نَارًا ۗ كُلَّمَا نَضِجَتْ
 جُلُودُهُمْ بِدَلْنِهِمْ جُلُودًا غَيْرَهَا لِيَذُوقُوا الْعَذَابَ ۗ إِنَّ اللَّهَ
 كَانَ عَزِيزًا حَكِيمًا ﴿٥٦﴾

Indeed, those who disbelieve in Our verses - We will drive them into a Fire. Every time their skins are roasted through We will replace them with other skins so they may taste the punishment. Indeed, Allah is ever Exalted in Might and Wise. 4:56

Prof. Tagatat Tejasen, Chairman of the Department of Anatomy at Chiang Mai University in Thailand, has spent a great amount of time on research of pain receptors. Initially he could not believe that the Quran mentioned this scientific fact 1400 years ago. He later verified the translation of this Particular Quranic verse. Prof. Tejasen was so impressed by the scientific accuracy of the Quranic verse, that at the 8th Saudi Medical Conference held in Riyadh on the Scientific Signs of Quran and Sunnah he proclaimed the shahada in public. “ There is no God but Allah and Muhammad(peace be upon him) is His Messenger .”

So yet another discovery of the miracles of the Quran. Subhan’Allah.....Such is the power Allah’s words.
