

**Assalamu Alaikum Wa Rahmatullahe Wa Barakatuhu  
Bismillahir Rahmanir Rahim**

**Today's topic: "Stars mentioned in the holy Quran-3"**

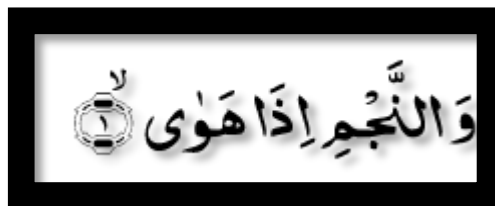

There are four words in holy Quran about Star **كَوْكَبٌ** (Kaukabun), **نَجْمٌ** (Najmun),  
**بُرُوجٌ** (Buruj), **الشِّعْرَى** (Ash She'ra)  
**نَجْمٌ** means Star

**It is revealed in the holy Quran: Sura An-Najm 53:1 to 4**

1. By the star when it descends. It is not but revelation revealed.

**Picture of star falls**

**By the Star when it goes down, (Sura An-Najm 53:1)**

**Your Companion is neither astray nor being misled, (Sura An-Najm 53:2)**

Nor does he say (aught) of (his own) Desire.

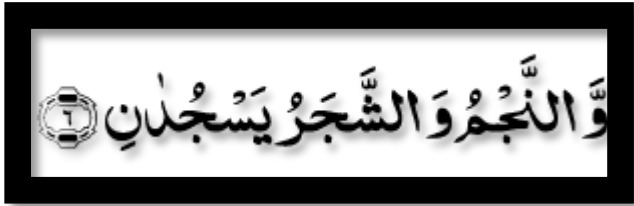

It is no less than inspiration sent down to him. (Sura An-Najm 53:4)

*It is a confirmation by Allah SWT that Muhammad (sm) was a Prophet and he received revelation from his creator.*

**It is revealed in the holy Quran: Sura Ar-Rahman 55:6**

2. And the stars and trees prostrate. So, which of the favors of yours Lord would you deny?

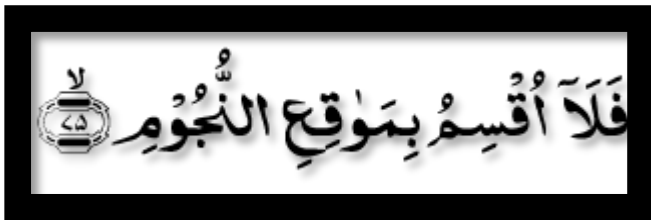

And the herbs and the trees-both (alike) prostrate in adoration.  
(Sura Ar-Rahman 55:6)

*In the verse 55:1 to 13 Allah SWT has mentioned His favors and put a question “so which of the favors of your Lord would you deny?”*

**It is revealed in the holy Quran: Sura Al-Waqiah 56:75**

3. Then I swear by the setting of stars. (It is Quran) a revelation from the Lord of the worlds.

Furthermore, I call to witness the setting of the Stars (56:75)

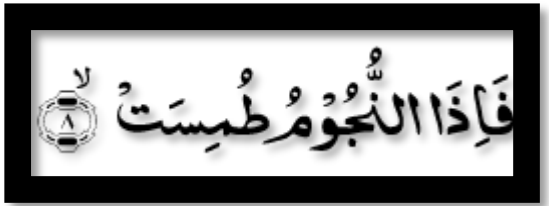

*In the verse 56:75 to 80 Allah SWT after swearing by the setting of stars confirmed that this Quran is a revelation from the Lord of the worlds and it is the guidance for mankind.*

**It is revealed in the holy Quran: Sura Al-Mursalat 77:7 to 10**

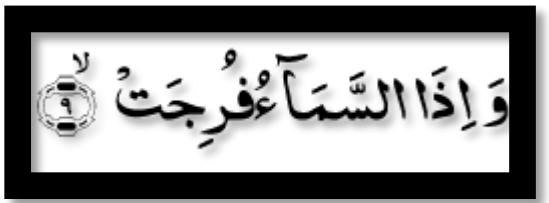

4. indeed what you are promised to occur. So, when the stars are obliterated. And when the heaven is opened. And when the mountains are blown away.

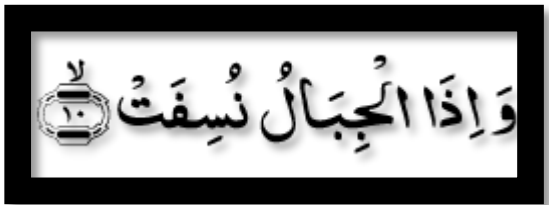

**Assuredly what ye are promised must come to pass. (Sura Al-Mursalat 77:7)**

**Then when the stars become dim; (Sura Al-Mursalat 77:8)**

**When the heaven is cleft asunder; (Sura Al-Mursalat 77:9)**

**When the mountains are scattered (to the winds) as dust; (Sura Al-Mursalat 77:10)**

*In these verses Allah SWT cautioned mankind that Yaumul Qiamah will definetely occur.*

**It is revealed in the holy Quran: Sura At-Takwir 81:2**

5. And when the stars fall, dispersing.

**Picture of Stars fall, Dispersing**

**When the star fall, losing their lustre. (Sura At-Takwir 81:2)**

*In the verses 81:1 to 18 Allah SWT gave a picture what will happen in the day of Qiamah and Day of Judgment. Then Allah said that “Indeed, the Quran is a word (conveyed by) a noble messenger”*

**It is revealed in the holy Quran: Sura At-Tariq 86:1 to 4**

6. By the sky and the night comer.

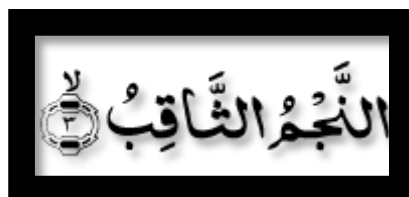

**Picture of Bright Star**

**By the Sky and the Night-Visitor (therein), (Sura At-Tariq 86:1)**

**And what will explain to thee what the Night-Visitor is? (Sura At-Tariq 86:2)**

**(It is) the Star of piercing brightness (Sura At-Tariq 86:3)**

**There is no soul but has a protector over it. (Sura At-Tariq 86:4)**

*In these verses 86:1 to 4. Allah SWT after swearing by the sky, and night comer bright star says that “there is no soul but that it has over it a protector.*

### **Scientists’ theory, imagination and assumption about stars**

1. *Sun is a star 150 million km from earth.*
2. *Proxima Centauri (nearest star from earth) Distance from Earth 4.246 light years. 1 light year=  $9.461 \times 10^{15}$  metre*
3. *100 billion stars being born and dying each year.*
4. *Milky way (our galaxy) 100 billion to 400 billion stars.*
5. *Andromeda galaxy: 1 trillion stars.*
6. *Triangulum galaxy: 40 billion stars.*
7. *Large Magellanic galaxy: 30 billion stars.*
8. *IC 1101 galaxy: 100 trillion stars.*
9. *Whirlpool galaxy: 100 billion stars.*
10. *Number of galaxies: 2 trillion.*
11. *What is star: A fixed luminous point in night sky which is a large, remote, incandescent body like the sun.*
12. *Dwarf star size is similar to Earth’s size. Supergiant star size is more than 1500 times larger than Our Sun. The radius of sun is 696,340 km.*

Dear Brothers and Sisters Allah SWT mentioned in the quoted verses Tauhid (Oneness of Allah SWT), Resalat (Muhammad (sm) is His Messenger), Akhirat and stressed that Quran and Sunnah must be followed to get benefit in this world and life after death. Let Allah SWT guide us in straight path.

***Ameen***

***Assalamu Alaikum Wa Rahmatullahe Wa Barakatuhu***
