

## Aliens in Quran

**Assalamualaikum Wa Rahmatullaahi Wa Barakatuhu**

**Bismillaahir-Ra‘hmaanir-Ra‘heem**

**Today’s topic is “Aliens in Quran.”**

It is revealed in Quran:

Surah 1 Fatiha, Verse: 2

( 2 ) الْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ

[All] Praise is (due) to Allah, Lord of the Worlds. Worlds means Universe, Stars, Sun, Planets, Moon- all heavenly bodies scattered in the space. These bodies billions/millions in number.

Surah Ash Shurah 42, Verse:29

وَمِنْ آيَاتِهِ خَلْقُ السَّمَوَاتِ وَالْأَرْضِ وَمَا بَثَّ فِيهِمَا مِنْ دَابَّةٍ ط  
وَهُوَ عَلَىٰ جَمْعِهِمْ إِذَا يَشَاءُ قَدِيرٌ ؕ

And of His signs is the creation of the heavens and earth and what He has dispersed throughout them of creatures. And He, for gathering them when he wills is competent.

### **Explanation:**

Abdullah Yusuf Ali, Holy Quran Translator writes “It is reasonable to suppose that life in some form or another is scattered through some of the millions of heavenly bodies scattered through space.”

Allama Tabatabai says, “ The apparent meaning of this verse is that there are living creatures (Dawab) in the heavens similar to those on earth.”

Surah 17 Bani Israil, Verse: 44

تُسَبِّحُ لَهُ السَّمَوَاتُ السَّبْعُ وَالْأَرْضُ وَمَنْ فِيهِنَّ ۗ وَإِنْ مِنْ شَيْءٍ إِلَّا يُسَبِّحُ بِحَمْدِهِ وَلَكِنْ لَا تَفْقَهُونَ تَسْبِيحَهُمْ ۗ إِنَّهُ كَانَ حَلِيمًا غَفُورًا ﴿٤٤﴾

The seven heavens and the earth and whatever is in them exalt Him. And there is not a thing except that it exalts (Allah) by His Praise, but you do not understand their (way of) exalting. Indeed, He is ever Forbearing, Forgiving.

Surah 17 Bani Israil, Verse: 70

وَلَقَدْ كَرَّمْنَا بَنِي آدَمَ وَحَمَلْنَاهُمْ فِي الْبَرِّ وَالْبَحْرِ وَرَزَقْنَاهُمْ مِنَ الطَّيِّبَاتِ وَفَضَّلْنَاهُمْ عَلَى كَثِيرٍ مِمَّنْ خَلَقْنَا تَفْضِيلًا ﴿٧٠﴾

And We have certainly honored the children of Adam and carried them on the land and sea and Provided for them of the good things and Preferred them over much of what We have Created with Preference.

### **Explanation:**

Dr.Yasir Qadhi points out that Allah is telling us here that we are higher than many other creatures- but not all of them (hence His use of the word of many) and since we know that we are higher than angels, jinns and animals, this verse is alluding to another form of Creation that we are not aware of- perhaps aliens life.

Dear brothers and sisters Quran is revealed from Allah. The Lord of Universe. The Quran is hundred Percent true. The Scientific knowledge and information if are in agreement with the holy Quran that Scientific knowledge are true.

Otherwise Scientists should investigate more deeply. Specially Muslim scientist should study modern science deeply and also Quran deeply keeping in mind that Quran is a book which has no mistake and doubts.

May Allah SWT guide us to right path and true knowledge.

Ameen.

Assalamualaikum Wa Rahmatullahi Wa Barakatuhu.
